UAW Vice President Stan Marshall*

Urging Support for UAW President Ray Curry!

I am urging our UAW active and retired members to vote for **UAW President Ray Curry**, and **UAW Vice President Chuck Browning** in the upcoming run-off election.

I have been a UAW member for 72 years. I started on the assembly line at Buick, Local 599. I was elected Shop Committee Chairman in my local union and was subsequently elected **Regional Director in Region 1-C (now Region 1-D)**, and elected **UAW International Vice President, assigned to the UAW Chrysler Department**. I am also a proud U.S. Air Force veteran.

As the former Chairman of Region 1-D Retirees, I saw first-hand the respect, and admiration that **Ray Curry** has for **UAW Retirees!** I am well aware of the challenges that face our elected officers today. **Although the issues are different today, the qualifications for effective leadership are the same.**

Ray Curry throughout his career has always put the interest of the membership above his own. **Ray Curry** was elected in his local union, earned two college degrees, and faithfully served his Country in the U.S. Army, and Army Reserves before becoming Assistant Director of UAW Region 8. He was elected Director of Region 8, and elected UAW International Secretary Treasurer, before being elected **UAW President** by the International Executive Board (IEB) to serve out the term of Retiring President **Rory Gamble**.

During my time in the UAW, I have had the opportunity to work with many respected officers. I can honestly say that **Ray Curry** is one of the **most honest, experienced, capable leaders** we have ever had!

Remember, bargaining issues change, qualifications for leadership never do!

In Solidarity,

Stan Marshall

Retired UAW Vice President/ Chrysler Department
