

04/30/2009 Concessions Quote by Shawn Fain.

"It was hard to swallow the cuts, but we have to preserve jobs and the future," Fain told the Kokomo Tribune. "We're not happy about it, but you have to do what you have to do. Hopefully we can get back to selling cars, and this will be a bad memory like 1979 and '80."

Hello UAW Union Sisters and Brothers:

It is important that I inform you on the real Shawn Fain. I was angry when Shawn Fain's fliers were not truthful about his agenda. Shawn has been unfaithful to his family and the membership ever since I have known him.

I must urge Shawn Fain's supporters not to vote for him in the run-off elections. If Shawn has to hide behind lies and get others to believe him, then I must let the cat out of the bag and tell the UAW membership the truth. I was hoping it would not come to this. Shawn I am not sorry for what I am going to tell the membership, please do not call my phone or come home to Kokomo to see me, I will not lie for you ever again! Let's get this started.

Shawn Fain has failed to tell you that he tried to attend the UAW caucus meeting before joining the UAW. This is facts and shows he will use anyone or anybody to get a position.

It is also true that Shawn and General Holiefield were friends, I cannot believe that he has stated that they were not friends, I will not go any further with this other than to tell you that is a lie.

Chrysler National Training Center held private ball room dancing classes with the corrupt money, and it was free to Shawn Fain the UAW director over the center and his mistress. All the corrupt leaders attended ball room dance classes from Chrysler including Fain. Shawn Fain & Paul Caucci would threaten the other staff members with termination if they did not attend.

Ask Shawn Fain about the home repairs and remodel he had done with Chrysler employees and would not pay them, \$15,000 he owed them. He has been a con man for many years.

Shawn Fain fully supported the 2011 Chrysler Agreement he help negotiate. Shawn fully supported and pushed the Chrysler members to vote for it and yes it still had the two-tier language in the agreement. Just call the locals and ask their presidents about this, they will tell you the real facts.

Shawn Fain was the Chrysler Chair of the sourcing committee in national negotiations but didn't negotiate a sourcing moratorium.

In 2015 negotiations Shawn Fain deleted letter 126 "JOB SECURITY" Brings back work from NON-UNION facilities during an economic downturn.

In 2006 ask Shawn Fain about the bookkeeper story at UAW 1166. Shawn was sued for sexual harassment, but it was covered up as a wrongful discharge case. You will have to do a little researching, but you will find it. He has been corrupted for many years. This is why when he stated in the 2023 IUAW President Debate that he had to build women up and make them stronger comment as leaders, did not shock me. Shawn is a Male Chauvinist!!!!

Even at the Constitutional Convention he was doing shady work. Shawn was Sargent of Arms and helping UAW get to the floor by not checking their badge and allowing them in. This is just corrupt.

Shawn had an affair with the secretary at the Chrysler training center where all the corruption took place. She is in management; Shawn has never been true to anyone.

Shawn Fain could not negotiate to save just a few jobs at the Chrysler National Training Center. Just look it up and call the people and ask them.

All auto workers were hurt by UAW, Chrysler corruption scandal "It's one thing if you feel you've been wronged, cheated out of pay and benefits [but] you trust the process. "But when the UAW workforce discovered that for years the Chrysler company, the union, and higher-up officials had been in bed with each other, giving and taking bribes, that upset me and that not how the collective bargaining system works." Shawn Fain is tied with the corruption but didn't go to jail. I call that a RAT!

If Shawn gets elected, all of you will come to regret that you ever voted for him. He is not trustworthy.

I know him personally and he will lie and betray any union member for his personal gain.

From one honest UAW member to another, don't vote for Shawn Fain.

May you all see the truth...

Nicolaus Nash

UAW/CHRYSLER
