

We Need Your Support and Vote

We appreciate the strong support we have received from you, and your confidence in selecting us to lead our local union. As you know, we recently conducted elections for our unions International Executive Board. Only 10% of our members and retirees voted in that important election. As a result, only a small minority of members elected our new Secretary Treasurer and 2 Vice-Presidents. Because of the number of candidates running there is a run-off election for President and 1 Vice-President. You should receive a ballot in the mail by Jan. 19, 2023.

With 2023 auto bargaining approaching, this is a truly historic election. UAW members have an unprecedented opportunity to win what we deserve in 2023 bargaining. Ray Curry knows that in order to take advantage of that opportunity, we need both reform AND a vision to build the power necessary for success. Ray has a track record on both reform and vision, which is why we strongly urge all UAW members to vote for the Curry Solidarity Team.

Here are a few reasons why we are voting for Ray and the Curry Solidarity Team.

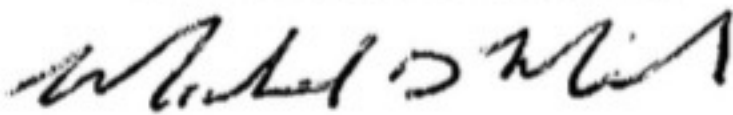

- ✓ Ray has led as a reformer, **taking on and driving out corrupt leaders from the UAW**
- ✓ Ray has a successful bargaining track record **eliminating tiers in multiple contracts**
- ✓ Ray has revived UAW organizing, with **nearly 25,000 new workers organized in 18 months**
- ✓ Ray led the first successful organizing of a major electric vehicle plant at Ultium Cells in Ohio, a **critical step in building the vision and power to win what we deserve in auto**
- ✓ Ray brings years of experience **working with and successfully advocating for UAW retirees**

Results matter more than rhetoric. We need Ray and Chuck to work with us in handling the issues that will arise needing support from our International. In short, help us do the work you elected us to do by giving us strong partners in Ray Curry and Chuck Browning.

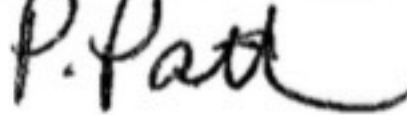

Please vote! Participation in this election by active and retired members is critical to continue building a stronger UAW.

In Solidarity,

UAW Local 723 President

Vice President Patrice Patton

SBU Chairman Brian Redmond

DEP Chairman Todd Allman

Ford River Raisin Jai-Vonna Akins

DRIV Chairman Steve Guyor

Retire Chairman Bob Cebina

Financial Secretary, Michael Keck
