

YOUR VOTE IS YOUR VOICE

Attention All UAW Members

The run-off election for the office of UAW International President and one (1) UAW International Vice President is here! Ballots are being mailed to every member beginning January 12, 2023. Please complete your ballot and return it by the deadline of February 28, 2023. We recommend that you mail your ballot by February 17, 2023, to ensure it is received in a timely manner. Your vote counts!

We would like to let it be known that we support Ray Curry for International President and Chuck Browning for International Vice President. We hear rumblings of corruption and need to clear things up. Ray Curry was not attached to any corruption. In fact, Ray Curry along with Region 8 Director, Mitchell Smith, were instrumental in removing the corruption that led to multiple convictions in 2019.

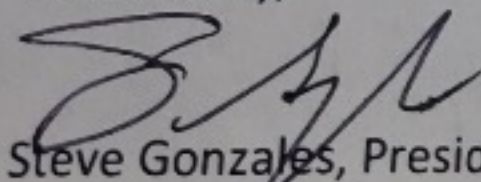

The Detroit 3 Contact Negotiations are coming in September and this is our time to be rewarded for continuing to help the companies be successful. We need strong leadership to accomplish this. In 2021 President Ray Curry and Vice President Chuck Browning took office, here are just a few highlights of their accomplishments:

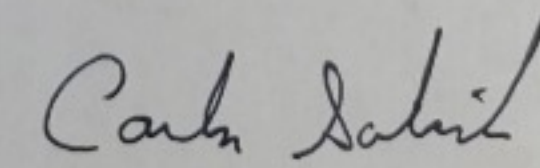

- ◆ Fought Ford Motor Company to secure product for Ohio Assembly, creating 1800 jobs and an investment of \$205 million.
- ◆ Successfully orchestrated a successful strike at Kirchhoff Automotive.
- ◆ Negotiated the conversion of TFT employees to full time status quicker than contractually obligated.
- ◆ Negotiated and fixed the leapfrog issue with no language to back them up.
- ◆ Negotiated the John Deere agreement which brought higher wages, bonuses, strengthening their pension plan and the return of COLA.
- ◆ Overseen hundred of contracts for IPS facilities.
- ◆ Ray and Chuck have been able to address many other issues that prior leadership were not willing to discuss.

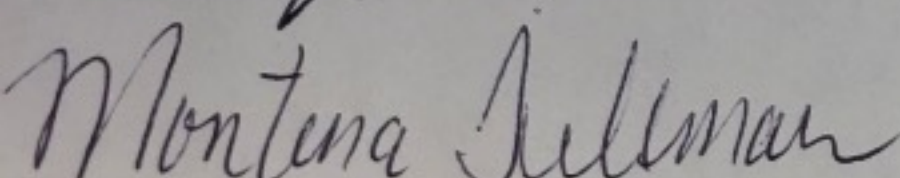

As your Local leaders here at 3000, it is our obligation to let you know who we feel will act in the best interest of this membership. A "Stellantis" International Executive Board would not be one of inclusion. Without Ray, Chuck could be powerless. We support Ray & Chuck as they would bring diverse backgrounds to the IEB. Ray has been a friend to Region 1A. Through his support this region has, and will continue to be strong. Chuck is a Local 3000 dues paying member. He has worked his way through the ranks starting at Mazda/AAI/Ford as a District Representative. Through his hard work and dedication to the UAW Chuck has held numerous positions such as Chairman, Region 1A Director and now IUAW Vice President. Ray and Chuck both have knowledge of the existing contracts and experience with negotiating. Their resolve will bring gains, progressive language and stability to the UAW.

We ask that you cast your vote in favor of **EXPERIENCE, INTERGRITY AND KNOWLEDGE!**

In Solidarity,

Steve Gonzales, President

Carlos Salcido, Vice President

Montina Tillman, Recording Secretary

Connie Rossi-Burkey, Financial Secretary
