

Attention - UAW Big Three Retirees

“IT’S OUR HEALTHCARE”

And we’re not giving it up!!

We fought before and we’ll fight again!

This time we must fight with our voice and our vote

We fought hard for these benefits over the years. No one has given us anything! Many of our retirees stood strong on the picket line to help win these benefits. We do not want someone sitting in high level negotiations who doesn’t understand the process.

Nor do we want someone with “ZERO” VEBA experience looking out for our insurance. That is simply a risk we are not willing to take. We have excellent health care benefits and we intend to keep it that way.

We are very thankful that UAW President **Ray Curry** and UAW Vice President **Chuck Browning** are on the VEBA Board. They look out for retiree interests! They, and other UAW representatives on the Board, have done a fantastic job. It is comforting to know that **President Curry** leads the UAW Board members in this effort and that he has the knowledge, experience, and desire to protect retirees.

Now, our Union is in the midst of an important runoff election for UAW president and one vice president. This is a **critical election** for active and retired members. We encourage you to vote. The ballots will be mailed beginning January 12, 2023 and must be returned in time to be received by February 28th. The return envelope is **postage paid**. All we have to do is mark our ballot and mail it back. As retirees we helped to build our UAW. Now... Let’s **VOTE** together and strengthen our Union by electing the right people for the job.

We are encouraging you to vote for **Ray Curry** for President and **Chuck Browning** for Vice President. These dedicated leaders have demonstrated their love for retirees with actions, not words. **They have stood with us and it’s our turn to stand with them.** Your vote for them will ensure retirees are not forgotten and our futures will remain secure.

With President Curry and VP Browning retirees will continue to receive the best representation possible. **IT’S YOUR VOTE; IT’S YOUR VOICE.** Don’t be silenced. **VOTE!**
