

Dear Union Brothers and Sisters,

There are still candidates remaining in this run off election making false promises that they can not keep just to get your vote. This is not a new strategy in our Union or in National Politics. Candidates get elected in National and State politics and our Union based on false promises or background information that is misleading or is a flat out lie! The problem is we have to live with that if they get elected to important offices.

I had the honor to serve on the UAW International Executive Board with 5 different UAW Presidents. I can tell you President Curry is the hardest working President I ever served with. Ray Curry made decisions based on what was best for our Active and Retired Membership of our Union. Brother Curry was instrumental as our Secretary Treasurer to uncover the deception of past UAW leaders and the UAW International Executive Board acted on his offices findings.

This run off election I will be voting for the most qualified and hard working UAW Leader I worked with for many years, who doesn't make false promises he just does what is best for our Active and Retired Members of our great Union. Please join me in voting for an experienced UAW Leader who always has our best interest at heart Brother Ray Curry.

In Solidarity
