

To all UAW members:

Hope everyone had a Merry Christmas and safe New Year. Hard to believe that we are in the 2023, but we are and that's the truth. I want everyone to understand that Shawn Fain is a manipulator and a great storyteller. Shawn Fain tells an apocryphal story with mythical friends that say they are a Union but, in all actuality, they are just a dummy business. Shawn Fain is supported by this dummy business that is spreading impractical goals for Shawn Fain. You ask how? Let me explain so that you know the truth about Shawn Fain and how he has always had a gift of deceiving others and not telling the truth.

Let's get to the facts of the UAW storyteller Shawn Fain. Shawn Fain runs off the deception that he has fought and debated his predecessors in 2007 to end the two-tier wage scale. That seems to be true per the media, but in 2009 Shawn Fain did not have the same concept when he was a UAW national negotiator for Chrysler. The true fact is that Shawn Fain negotiated to keep two-tier that year. Shawn became great friends with General Holifield and Norwood Jewell and with an offer on the table to turn against the UAW membership, Shawn Fain was offered a UAW staff position in 2011. Yes, he sold you out as he has always done and will continue to do. We here at Chrysler hated the 2015 agreement! Shawn Fain was the second in charge as an administrative assistant at the negotiation table, he told us this is the best agreement, and we need to vote yes! 2015 the Two-tier wages are still there; our trades agreement now allows outside contractors to replace our UAW trades as well. Just go to UAW.org and look at the high light book for Chrysler, you will see Shawn Fain's name in the back, and he signed it, that means he supported the Chrysler agreement. I am asking all the UAW membership not to vote for Shawn Fain, he will take this membership down and we will lose jobs here in America, this will take place because he will take bribes to enhance his own financial gains.

Now, let's talk about another issue we have with Shawn at Chrysler. Shawn Fain was over the UAW/Chrysler center and states that he had no recollection of any wrongdoing by General Holifield, Norwood Jewell, Monica Morgan, Gary Jones, Dennis Williams, and several others Shawn Fain worked closely with, golfed with, ate fancy dinners with, set up ball room dancing with, smoked the best cigars with, etc. From 2014 to 2016, the UAW-Chrysler National Training Center's credit cards bankrolled expensive meals, golfing, hotel suites, limousines, and condominium expenses for high-level UAW officials in Palm Springs, California, according to the government. Yes, Shawn Fain was over the UAW-Chrysler National Training Center. He made good money and still makes good money from the raises that he received at the Constitutional Convention. Shawn Fain was at the convention where delegates voted to give the International Executive Board members raises and Shawn Fain said NOTHING! Administrative Assistants like Shawn Fain got proportional raises which he gladly took and kept. Let's look at poor innocent Shawn's hard long road; Shawn Fain's salary break down for (2019) was \$156,957 and 2018 was \$146,467. Looks like Shawn Fain accepted the raise without any argument, this is facts.

Shawn Fain was at the UAW-Chrysler National Training Center and new that the corruption was taking place. He has golfed with the UAW officials that are in prison, he has eaten fancy dinners with them and so much more, the list goes on. Shawn Fain, you do not speak at someone's funeral because you hate them, your eulogy was sincere to Mr. Holifield, and I respect you for that. But a eulogy is not given from an enemy, please Shawn, quit lying to the UAW members and tell the truth for once. Shawn, you know that Ray Curry and the IEB had no part of the corruption, but you did Shawn.

Shawn, why you are telling this membership stories that are not true. Shawn it's fallacious to say that something is true when it is not. You and your friends are wrong by telling this membership you were not part of the corruption. **I know why you didn't get in any trouble, and Shawn I do not want to put that information out on you. The UAW can not survive under your leadership, you are a phony and out for your own personal gains.**

**Shawn Fain preaches fake news. If Shawn really believed what he states in his fliers, then why haven't you quit your position as the head International Union Staff Member over the Chrysler Training Center? He did not quit because he is a liar.**

For the future of UAW, please do not vote for Shawn Fain. Shawn will read this letter and his devious ways he will completely talk around the truth and try to manipulate you to this he is not a thief or part of the corruption!

**DO NOT VOTE FOR SHAWN FAIN!**

May you all see the truth...
