

To all ACTIVE & RETIRED UAW Brothers and Sisters:

On January 12, 2023, ballots will be mailed out to the membership of the UAW for a run-off election for both President and Vice-President of the UAW. Please – DO NOT IGNORE THIS! It is imperative that you vote for candidates that can move this great Union into the future. It is of utmost importance to keep those in office that have always put the needs of the membership first. President Ray Curry and Vice-President Chuck Browning are those people.

Both President Curry and Vice-President Browning were instrumental in weeding out the “bad eggs” in our UAW and facilitating ethical and administrative reforms to prevent the corruption from happening again. Their impeccable integrity and devotion to this UAW has been shown over and over in their representation of all of our active and retired members. Despite what some opposing factions will claim, they were not attached to any of the corruption we witnessed a few years ago and are the only candidates with the experience and dedication to help our UAW through this era to a stronger and better Union.

The combined knowledge and experience of Ray Curry and Chuck Browning is unmatched. From Automotive, Heavy Truck, TOP, IPS, Aerospace, Agriculture, RETIREES via the VEBA Board – the list is extensive – their experience in contract negotiations and accomplishments for ALL sectors of our great UAW have been heralded by the membership. As leaders of Local 400, which has many different sectors of the UAW, we have witnessed the benefits of this experience for the membership, as a whole, for many years.

Ray Curry and Chuck Browning have been in both the retirees and active members’ corner and have shown it through their actions for many years. Please show your appreciation by electing them to continue the work they have done for many more years.

Ballots will begin to be mailed to all active and retired members in good standing on January 12, 2023. *The ballots are postage paid.* All we have to do is mark the ballot and send it back as soon as possible (ballots must be RECEIVED by February 28, 2023). Let us all elect the knowledgeable and experienced leaders to benefit all of our active and retired UAW members.

VOTE FOR:

Ray Curry for President
&
Chuck Browning for Vice President

Please look for your ballots in the mail after 1/12/23. Do not delay – fill them out carefully and return them immediately to be sure your vote is counted!
