your VOTE
is your VOICE

Dear Brothers and Sisters:

We are currently in a state of **Does Your Livelihood and Your Family's Future Matter? Does Your Healthcare and Benefits Matter?** If so, we need to make sure we use our voice and cast our vote for experienced leaders who have years of knowledge to lead us in the upcoming contract negotiations. We have two positions to be filled by this run-off election. **This is critical.**

Ray Curry, President of the International Union UAW has led the UAW out of corruption. *Mr. Curry has been vetted by the Federal Government Auditor twice.* Served as Director of UAW Region 8, Secretary-Treasurer, and President since 2021. Mr. Curry has approved strike authorization against John Deere and several other companies.

Chuck Browning, Vice President was hired into the **FORD** Flat Rock Assembly Plant with UAW Local 3000 where he served the membership as a Committeeperson, Bargaining Committee member, and as Plant Chairman. Mr. Browning was very instrumental in helping to lead the UAW out of corruption as well.

Mr. Browning has been vetted twice by the Federal Government Auditor. Mr. Browning has served on the International Staff as a National Negotiator against all 3 companies and served as UAW Region 1A Director. He is currently serving as Vice President of the UAW over the Ford Department and over the last 18 months since becoming Vice President he has done the following:

- ✓ Secure product investments for Ohio Assembly Plant adding 1,800 new jobs.
- ✓ Fixed Leap Frog pay issues with FORD/UAW Members (including back pay).
- ✓ Forced Ford to convert temporary employees to full-time status ahead of the National Agreement.
- ✓ Placed John Deere on Strike until a fair and equitable agreement was reached earning members pay raises and COLA.

Keep in mind the President of the UAW picks which Vice President will lead negotiations with which company and Chuck Browning is by far the most experienced negotiator and already has several significant wins over Ford Motor Company. Ray Curry would keep Chuck Browning as Vice President over the UAW/Ford Department. So far, we have:

- ✓ Mike Booth from **CHRYSLER** won a position as Vice President on the 2023 International Executive Board.
- ✓ Rich Boyer from **CHRYSLER** won a position as Vice President on the 2023 International Executive Board.
- ✓ Therefore, the run-off for this third Vice President position is **CRUCIAL**.

Members, we can't afford to gamble with our healthcare, benefits, and pay. Let's take part in the voting process and secure our future and our family's future. **PLEASE** participate in voting we should have the most qualified President and Vice President to lead our negotiations and someone from **Ford** to represent our UAW **Ford** Members.
