

# IUAW EXECUTIVE BOARD RUNOFF ELECTION

BALLOTS MAILED BEGINNING JAN. 12TH  
DEADLINE IS FEB. 28TH

## YOUR LOCAL 1853 BARGAINING COMMITTEE SUPPORTS PRESIDENT RAY CURRY

As ballots begin to roll-out on January 12th, 2023, your Local 1853 Bargaining Committee wanted to express their intentions to fully support President Ray Curry in this runoff election. First and foremost, we would like to make it known that President Ray Curry was not apart of the corruptive practices by past UAW leaders. Ray Curry has expressed keen interest in uniting the membership and through his extensive experience, try to make our union whole again.

President Ray Curry's experience:

- As a servicing representative in Region 8 (2004-2010), Region 8 Assistant Director (2010-2014), Region 8 Director (2014-2018), International Union Secretary-Treasurer (2018-2021) and International Union President (2021-present), has led successful bargaining (local and national agreements) across multiple sectors and companies.
- As Region 8 Director, prioritized the role of standing committees and councils in the region to build solidarity in the ranks.
- A staunch fighter for UAW members in Washington, DC, and state capitals, has been at the table as national policy that affects UAW members is crafted to ensure that labor standards remain high, and that our active and retired member's interests are protected.
- As an International Officer since 2018, worked in partnership with civil rights and progressive organizations as well as other unions to help build a just society that respects worker rights.
- As Director of Region 8, led the Region with the largest UAW retiree population outside of Michigan and supported their Area Councils, improved retiree healthcare as member of the UAW Retiree Medical Benefits Trust.

Experience matters in today's manufacturing climate with the introduction of electric vehicles and third party taking our jobs. Please cast your vote this month, **please support President Ray Curry.**
